

BREAK DOWN INSTRUCTIONS

Please remember that the Little River ShrimpFest does not close until 6:00 p.m. on Sunday.

All exhibitors and vendors are expected to stay open until 6 PM and cannot break-down until the festival closes. Please be kind to our visitors who want to visit with you until the end of the festival.

Booth Break Down – You must completely dismantle your booth and have all of your booth materials including your tent, ready to load before your vehicle will be permitted to enter the festival.

After your booth is completely dismantled, you will be issued a vehicle pass by one of the security officers allowing your vehicle to enter festival grounds. Security officers will be present in all sections of the festival grounds.

With your vehicle pass displayed, proceed to your vendor area, load quickly, and exit the festival so that other vendors can do likewise.

Any vehicle that enters the vendor area without a vehicle pass will be ticketed by the Horry County Police Department. Please respect them and their decisions as they are here to ensure everyone's safety.

2019 Applications will be available in mid-May. Please submit applications as soon as possible as space locations will be assigned on a first come-first served basis.

Thank you again for being a part of our festival.
